

CURRENT PRESCHOOL BUILDING

Naming Opportunity

Current Preschool Building **\$3,500,000**

The Preschool building, built in 1913, will be renovated and modernized during this phase of the Campaign. Together with Thomson, Sage and Rockefeller Halls, its presence on campus represents IC's long history in Ras Beirut. Naming this building will offer a donor the opportunity to recognize IC's celebrated past, while making an investment in IC's future.
